

## Using apps and websites to support young children's skill development

### Creative thinking

Pic Collage app  
Photo Booth app  
WePublish app  
iMovie app  
(e.g., creative co-play)

### Verbal

iPad voice memo app  
Dualgram app  
(e.g., recording verbal descriptions and/or reflections of class activities)

### Physical

ABC Kids Listen app & Spotify app  
(e.g., group dancing)  
Cosmic Kids yoga website

### Personal safety

Triple Zero Kids Challenge website  
Daniel Morcombe Foundation website (Early Years resources)

### Digital

iPad camera app (e.g., taking photos and/or videos of class activities)  
Bee-bot app (e.g., coding a Bee-Bot robot)

### Literacy

Book Creator app (e.g., creating class e-books)  
Top Marks website (e.g., playing Balloon Phonics)  
ABC Kids Tracing & Phonics by RV AppStudios (e.g., tracing letters)

### Numeracy

iPad timer app (e.g., timing class activities)  
Numberblocks website  
Top Marks website (e.g., playing Teddy Numbers)

### Spatial awareness

iPad compass app (e.g., navigating an outdoor treasure hunt)  
Google Maps app (e.g., learning about the cardinal points)

### Investigative

iPad magnifier app  
Seek by iNaturalist app  
(e.g., viewing and/or identifying bugs and plants)

### Listening

Vooks Reading app (e.g., listening to interactive e-books)  
Audible app (e.g., listening to *The Magic Faraway Tree* over consecutive days)
